

U.S. ARMY CYBER COMMAND

CEAD PROGRAM APPLICATION FORM

Dear Applicant,

Thank you for applying to the Army Cyber Command's Career Exploration, Advancement and Development (CEAD) Program. We are the U.S. Army's premier Force enabling data-centric operations!

Conditions for Internships:

Applicants must have at least one academic semester remaining after completion of the summer internship for which they are applying.

Conditions for Fellowships:

Applicants must successfully complete, as in graduate, their academic program prior to starting the fellowship for which they are applying.

Conditions for all applicants:

All applicants must meet the following eligibility requirements:

- » U.S. Citizenship
- » Pass pre-employment drug testing
- » Obtain a TS/SCI security clearance (top secret/sensitive compartmented information)
- » Pass a CI/POLY examination (counter-intelligence polygraph)

Instructions for applying:

The following 3 documents are required for applying to Army Cyber Command's CEAD Program:

1. CEAD Program Application
2. Unofficial Transcripts
3. Resume (cover letter is optional)

Please email all 3 documents to ARCYBER-TM-CEAD@army.mil.

The Army Cyber Command Talent Management Team looks forward to receiving your application documents.

Sincerely,

Marilyn Brown
Army Cyber Command
Director for Talent Management
